HELP US OUT! WE STILL NEED PLENTY ORDERS

Desiring to make the book on the Lithuanian folk dances beautiful and most complete, a great deal of material was collected as well as a numerous amount of pictures and drawings. As a result this worthwhile tome will require an enormous amount of money to publish it. We are not raising the pre-publication price, which is still \$3.00. (When once published the book might amount to \$5.00) but we do need at least another \$1000.00 as initial funds to print the book. We ask our readers to order a volume now at the pre-publication price of \$3.00. None who will possess a copy of this excellent book will ever regret the buy. The book will contain over 50 dances. More detail below.
